

Rewarding AvMed Members for WELLfluentTM Living.

Earn incentives.

When AvMed Medicare Members look after their health, they are rewarded with wellness and longevity. And while that's incentive enough, we still wanted to do more for them. We launched HealthyperksSM—a program where Members earn gift card rewards for completing activities to keep them healthy!

Perks for healthy living.

All Medicare Members are eligible to earn rewards for annual wellness visits, flu shots and many other health improvement activities. For 2021, Medicare Members can earn up to \$125 in gift card rewards.*

There are many perks to choose.

As Members stay on top of their health, AvMed offers them a range of gift cards of their choice, selecting from a list of retailers, restaurants and grocery stores.
