RETIREMENT

Information Sessions

This special invitation is being extended to those employees who are retiring in the upcoming months. This session aims to equip you with useful information prior to retirement and enlightens on a variety of issues relating to your pension and benefits. Also ensure that you have given a written notification to your supervisor in order for a PAM to be received by our department.

Discussion Topics:

- How to obtain an appointment
- The array of benefits available to you
- The required documents for the day of your one on one session
- Medicare Part B contact for enrollment information, if applicable
